

Egis Lagan Services JOB SPECIFICATION

1. GENERAL INFORMATION

Job Title:	Fulltime Public Lighting Electrician/Maintenance Operative	Location:	Little Island, Cork (travel required around wider Egis Lagan depots and road network)
Department:	Maintenance	Reporting to:	Maintenance Supervisor
Contract Type:	Permanent		

Egis Lagan Services are currently looking to recruit an enthusiastic, self-motivated and hardworking qualified Electrician to join our team based in Little Island, Cork primarily working on the network public lighting maintenance. You will be required to work primarily in Cork, however there will be a requirement to carry out repairs across ELS' network throughout the southern Motorway and High-Speed network. Working on an 'On-call Standby Roster' covering will be a requirement of this position.

Successful candidates will possess appropriate electrical qualifications and FETAC or SOLAS grading accreditation. You will thrive in a team environment, whilst also being able to work independently.

2. JOB DESCRIPTION

- To carry out repairs on public lighting around network areas
- The hands-on implementation of the day-to-day Project Road maintenance requirements.
- To provide call-out cover to out-of-office hours' emergency responses.
- To carry out routine maintenance activities including:
 - Traffic Management
 - Winter Maintenance
 - Emergency Response
 - Bridge Maintenance
 - Depot building maintenance
 - Accident Damage Repair (e.g. safety & boundary fence repair)
 - Road Furniture cleaning
 - Landscaping / Grass cutting
 - Litter collection
 - General maintenance duties
 - Keep accurate records of tasks completed
- To undertake all allocated maintenance tasks as directed by the Maintenance Supervisor.
